Restorers of Zion  
PO Box 12136  
Ariel, Israel

Shalom Hannah,

This letter is to confirm that Restorers of Zion was approved as an endorsed organization at the most recent *business meeting* of the UMJC, on July 19, 2005. We appreciate all your efforts on behalf of Messianic believers in the land of Israel, and look forward to a long and fruitful relationship.

Here are some details of the relationship reflected in our policy:

- Your ministry may publicize the fact of its relationship with the UMJC as an "Endorsed Organization."
- We ask you to submit a one-page, semi-annual written report to the UMJC on the work of your ministry, plus a copy of your most current financial statement. The first one will be due in April 2006.
- We will seek to publicize each other's work through our respective mailing lists and/or other public communications. Endorsed organizations will be provided exhibit space at UMJC conferences (for the appropriate fee) and will be publicized in the conference manual. Endorsed organizations will also be provided a link on the UMJC website. Please let me know if you'd like to take advantage of this opportunity.
- The endorsement of any organization or ministry is subject to an annual review by the UMJC Executive Committee evaluating the common vision and good spiritual standing of the endorsed group with the UMJC. Either party may terminate this endorsement by written notice to the other party.

Beyond such details is the simple reality of a stronger friendship in Messiah, which I'm sure will bear fruit in both of our organizations. I'm looking forward to working together for years to come. For starters, may the new year of 5766 be one of blessing, peace, and nearness to Messiah Yeshua for you!

In Yeshua,

Russ Resnik  
Executive Director

HNC 2/17  
Hope to see you soon.
